ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2022-2023 STUDENTS FEEDBACK ON CURRICULUM

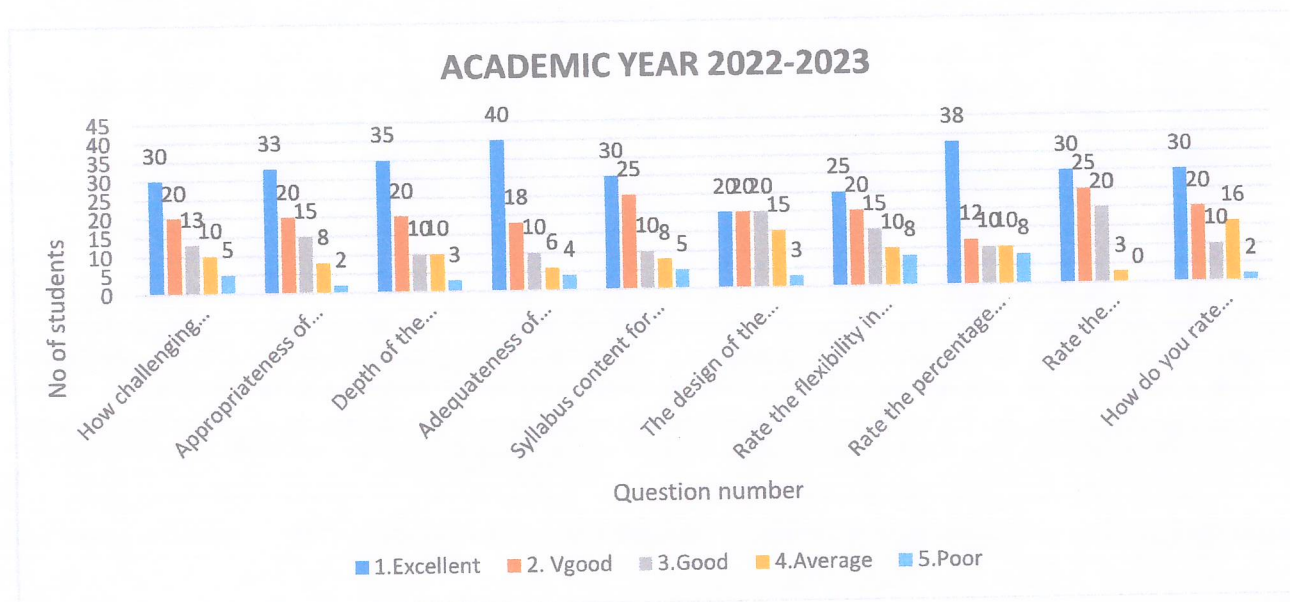

The organization is affiliated to AU, Visakhapatnam and the college academic curriculum is designed by the studies in the university. The curriculum designs were designed by taking suggestions and remarks from the affiliated colleges through conducting meetings with the principals before preparing the blueprint of curriculum.

The institution has extracted feedback on the curriculum design from various stakeholders. The feedback is analysed at college academic meetings and the opinion of the faculty members was taken into consideration in the institution.

Depending upon the view of the curriculum the following points were determined:

- The interactive sessions of the teacher and students was focussed in order to encourage the students
- The institution assures the placements of the maximum students during the campus placements
- Students are guided in such a way that they have the whole knowledge regarding the pharmacy related latest trends

The necessary corrections in the curriculum were explained to the university by the principal through the meetings and it does suit the student psychology and enables the student to have lateral thinking.
