## ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2017-2018

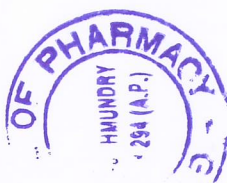

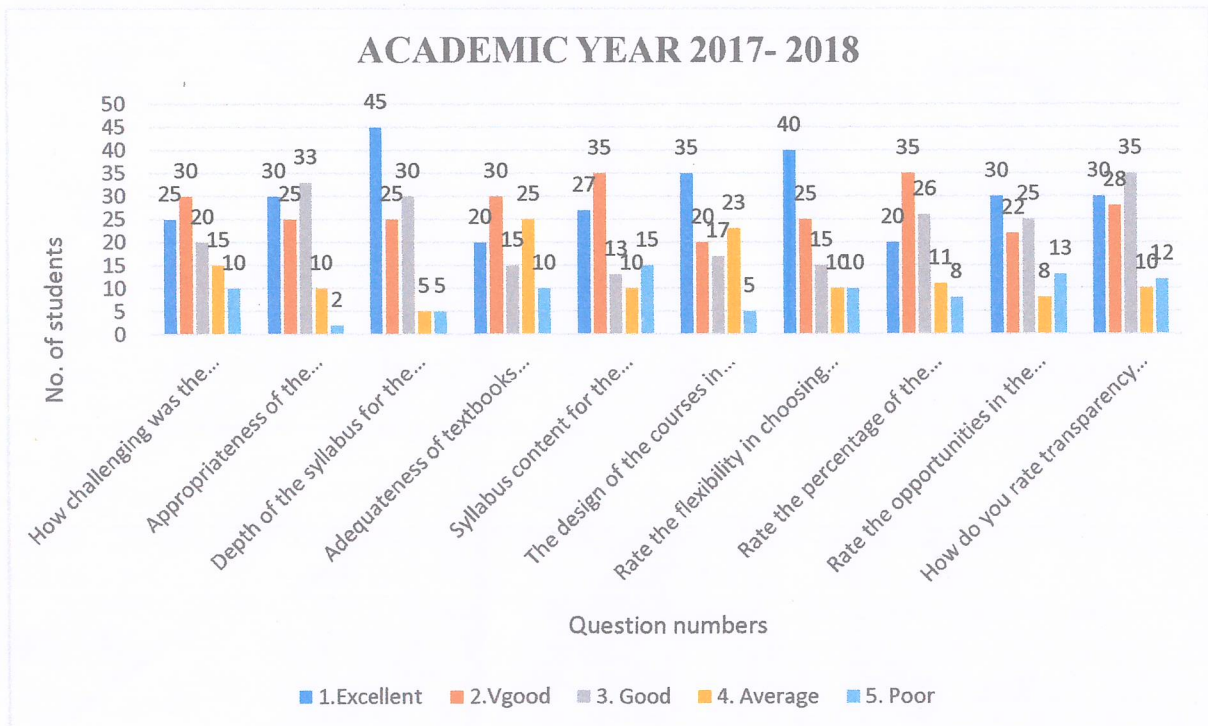

### STUDENTS FEEDBACK ON CURRICULUM

The organization is affiliated to AU, Visakhapatnam and the college academic curriculum is designed by the studies in the university. The curriculum designs were designed by taking suggestions and remarks from the affiliated colleges through conducting meetings with the principals before preparing the blueprint of curriculum. The institution has extracted feedback on the curriculum design from various stakeholders. The feedback is analysed at college academic meetings and the opinion of the faculty members was taken into consideration in the institution.

Depending upon the view of the curriculum the following points were determined:

- Students will have the best infra-structure facility within the campus
- Laboratory experimentation was chiefly improvised for the benefit of the student's knowledge
- The extra-curricular sessions of the teacher and students was focussed in order to have the students better recreational sessions

The necessary corrections in the curriculum were explained to the university by the principal through the meetings and it does suit the student psychology.
