MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (hereinafter called the 'MOU') is ENTERED on this 13th day of July, 2018

BY

M.A.M College of Pharmacy, Kesanupalli, Narasaraopet, Guntur District, Andhra Pradesh-522601, which is represented by its Principal herein Dr.M.Prasada Rao (here in after referred as first party, the Institution which expression, unless excluded by or repugnant to the subject or context shall include its successors-in office, administrators and assigns).

AND BETWEEN

GIET School of Pharmacy, NH-16, Chaitanya Knowledge City, Rajamundry, East Godavari District, Andhra Pradesh-533296, the first Party represented herein by its Principal Dr. M D Dhanaraju, named as second Party.

1. Objectives of the MOU are:

- To Promote and enhance academic interest between two institutions.
- To promote research and continuing education activities between institutions.

2. Technical Areas of Collaboration:

- Provide academic interaction by delivering special lectures on recent advanced topics.
- Usage of academic infrastructure for students and faculty members.
- To facilitate the training for teachers and PG students.
- Guidance for enhancement in infrastructural development.

3. Proposed modes of collaborations:

Consortium institutes propose the following:

- Co-operation and promotion of education and training are of mutual interest.
- A specific plan will be worked out by the institutes depending upon availability of resources.

4. Terms and conditions:

- The faculty members and students can use the library on mutual basis for short time use.
- Both the institutes agree to help, identify and invite the faculty members and researchers from the other institutes to participate in conferences, workshops and short term courses.
- Both the institutes can exchange the faculty as resource person in order to exchange knowledge.

5. Confidentiality:

A. Consorted institutes agree to hold in confidence all information/data designed by the institutes as being confidential during the rendition of MOU and will not disclose the same to the third party without written consent of the other institute.

B. The above confidential clause under this MOU excludes the information / data possessed by either institute before entering this MOU or independently developed and/or information already available through public domain.

6. Coordination:

A. Each institution shall appoint one member of its teaching / research faculty to coordinate the program on its behalf.

7. Intellectual Property Rights:

A. Institutes agree to respect each other's right to intellectual property. The Intellectual property Rights that arise as a result of joint research and collaborative activity under the agreement will be worked out on a case-to-case basis and will be consistent with officially laid down IPR Policies of the two institutes.

8. Tenure and termination:

A. This MOU will be in force from the date up to **One year** it is signed by representatives of two institutions.

B. The agreement will be legitimacy for a period of 1 year from the day of signing of this agreement, until it is expressed terminated by either party on mutually agreed terms, as the case may be; will take effective steps for implementation of this MOU.

C. Both the parties may terminate this MOU upon 30 calendar days notice in writing. In the event of termination, both parties have to discharge their obligations.

9. Arbitration clause:

A. In case of dispute relating to any aspect of academic cooperation, the Directors of both the institutes will jointly resolve the dispute in a spirit of independence, mutual respect and shared responsibility.

MEMORANDUM OF UNDERSTANDING On Academic training and cooperation between

Lenora Institute of Dental Sciences, Rajahmundry, E. G. District, A.P
And
GIET School of Pharmacy, Rajahmundry, E. G. District, A.P.

1. Purpose

With the object of promoting their co-operation in academic education and research, Lenora Institute of Dental Sciences, Rajahmundry ("LIDS") and GIET School of Pharmacy, Rajahmundry, individually also "Party" and collectively the "Parties", enter into the following Memorandum of Understanding ("MoU").

2. Forms of Co-operation

Within such fields as are mutually acceptable for the Parties, the following forms of co-operation, amongst others, may be pursued hereunder:

- Training Drug formulations for Post Graduate students.
- Co-operation in academic projects for specified areas of development
- Opportunities for other forms of co-operation.

3. Specific Co-operation Projects

Specific co-operation projects, for instance within such fields as described in section 2 above, must be negotiated separately between the Parties and are in each specific case to be established in separate written agreements, stating the respective rights and obligations of the Parties. In case of any ambiguity or conflict of terms between the terms and conditions of this MoU and those of a separate agreement as mentioned above, the terms and conditions of such separate agreement shall prevail.

4. Financial Arrangements

Both Parties understand that all financial arrangements between the Parties have to be further negotiated and mutually agreed, and will depend on the availability of funds. Both parties may seek financing of joint activities from internal and external sources available to them.

5. Liability

Except for loss or damages caused through gross negligence or intent, the Parties shall have no liability to each other hereunder.

6. Legal Relationship

This MoU shall be construed as a statement of purpose to promote a genuine and mutually beneficial collaboration between the Parties. Nothing in this MoU shall create any legal relationship between the Parties.

7. Commencement, Renewal, Termination

This MoU will be effective from the date of the last signature hereto and will remain in force for a time period of one (1) year, with a possibility for renewal at the end of the period, subject to the Parties written agreement. Either Party may terminate this MoU by giving two months' notice in writing to the other Party.

This MoU has been drawn up in two (2) original copies in the English language, each Party receiving one duly signed copy hereof.

MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN

GIET School of Pharmacy (Party A) & VJ's College of Pharmacy (Party B)

This MoU is made and entered into on 17-08-2018 between GIET School of Pharmacy, Rajahmundry, East Godavari District, A.P and VJ'S College of Pharmacy, East Godavari District, A.P. This MoU Shall be valid for a period of 1 year i.e., from 17-08-2018 to 16-08-2019 and each party (GSP, Rajahmundry and VJ'S Rajahmundry) would be at full liberty to terminate the collaboration with a notice period of 3 months. Upon mutual agreement, the MoU can be extended for every academic year.

Objectives of the MoU:

1. To promote an exchange of knowledge in the field of Pharmacy.
2. To promote an exchange of knowledge in the field of Research & Innovation.
3. To encourage students' ability in soft skills and self-development.
4. To utilize the faculties in an extracurricular activity.

Modes of Collaboration:

1. Allowing the exchange of knowledge through guest lectures, seminars, workshops and conferences.
2. Improvement of faculty members teaching skills through Faculty Development Programmes (FDP)
3. Exchange of best practices.

All the aforementioned objectives and modes of collaboration can be fulfilled through both online & offline modes depending upon mutual consent based on the schedules and manpower requirements of both institutes.

Memorandum of Understanding

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 12th day of July Two Thousand Eighteen.

BETWEEN

GIET School of Pharmacy, Chaitanya Knowledge City, NH-16, Rajamahendravaram 533 296, Andhra Pradesh, represented herein by its **Principal** (hereinafter referred as '**First Party**', Institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Chebrolu Hanumaiah Institute of Pharmaceutical Sciences, Chandramoulipuram, Chowdavaram, Guntur-522 019, Andhra Pradesh, represented herein by its Principal, (hereinafter referred to as "**Second Party**", Institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as '**Parties**' and individually as '**Party**')

Dr. S. VIDYADHARA, M.Pharm., Ph.D.
PROFESSOR & PRINCIPAL

Chebrolu Hanumaiah Institute of Pharmaceutical Sciences
Chandramoulipuram, Chowdavaram,
GUNTUR-19. A.P

WHEREAS:

- A) First Party and Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities to cater the needs of the students and all other stakeholders.
- B) Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interest.
- C) Both Parties are assured to engage in Skill Development, Teaching, Education and R&D Services in the fields of offering higher education in pharmacy streams and related fields.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance Vision and its related wings. The Parties shall keep each other informed of potential opportunities and shall share information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs in developing suitable teaching and learning systems.
- 1.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MoU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MoU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2: SCOPE OF THE MoU

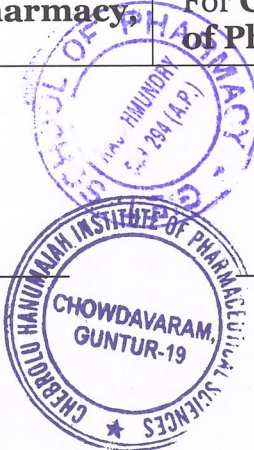

- 2.1 **Teaching Learning and Evaluation:** Catering to Student Diversity and teaching / training methodologies, Review Evaluation Process and Student Performance and Learning Outcomes.
- 2.2 **Research and Development:** Both Parties must carry out the joint research activities and to create an environment for Promotion of Research.
- 2.3 **Infrastructure and Learning Resources:** To review its strength in Physical Facilities, Library, IT Infrastructure and Maintenance of Campus Infrastructure.
- 2.4 **Institutional Visits & Training:** Involve in Training Programmes for both the Parties. Both the parties will also support in Student Participation and Activities and Alumni Engagement.
- 2.5 **Governance, Leadership and Management:** Help in establishing and strengthen Governance, Leadership and Management and Internal Quality Assurance System.
- 2.6 **Institutional Values and Best Practices:** Help to assess and refine Institutional value and Best Practices.
- 2.7 **Guest Lectures & Faculty Development Programmes:** To deliver guest lecturers to the faculty and other staffs of both the parties.

CLAUSE 3: VALIDITY

- 3.1 This MOU will be in force from the date upto one year, it is signed by representatives of two institutions.
- 3.2. Both Parties may terminate this MoU upon 30 calendar days' notice in writing. In the event of Termination, both parties must discharge their obligations.

AGREED by both parties:

MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN

GIET School of Pharmacy & Nethaji Institute of Pharmaceutical Sciences

This MoU is made and entered into on 26-06-2018 between GIET School of Pharmacy, Rajahmundry, East Godavari District, A.P and Nethaji Institute of Pharmaceutical Sciences, Subbhaiahpally, Warangal (D) Telangana, India. This MoU Shall be valid for a period of 1 year i.e., from 26-06-2018 to 25-06-2019 and each party (GIETSP, Rajahmundry and Nethaji Institute of Pharmaceutical Sciences, Warangal) would be at full liberty to terminate the collaboration with a notice period of 3 months. Upon mutual agreement, the MoU can be extended for every academic year.

Objectives of the MoU:

1. To promote exchange of knowledge in the field of Pharmacy.
2. To promote exchange of knowledge in the field of Research & Innovation.
3. To encourage students ability in soft skills and self-development.
4. To utilize the faculties for research activities.

Modes of Collaboration:

1. Allowing exchange of knowledge through guest lectures, seminars, workshop and conferences.
2. Improvement of faculty members teaching skills through Faculty Development Programmes (FDP)

3. Allowing improvement in quality of education via Student Exchange Programmes (SEP).

All the aforementioned objectives and modes of collaboration can be fulfilled through both online & offline modes depending upon the mutual consent based on the schedules and manpower requirement of both the institutes.

About GIET:

Established in 2004, GIET School of Pharmacy is one of the premier institutes situated in Andhra Pradesh. The Institute is famous for offering bachelors, masters and doctorate program in the field of Pharmaceutical Science stream. The courses are

- B.Pharm.
- M.Pharm.
- Pharm.D.
- Pharm.D (PB)

Admissions are offered on the basis of state level and national level entrances such as AP EAMCET and GPAT. GIET School of Pharmacy is well known for their academe as well as extracurricular and cultural activities. Internships are also encouraged which helps students in the campus placement drives.

Herbal medicines have been used for many years. Their history can be rooted from ancient

civilization, where their roles as a primary source of medication have been evident. There are various plants which are used as chewing sticks in different parts of the world.

Herbal extracts have been successfully used in dentistry as tooth cleansing and antimicrobial plaque agents. The barberry (*Berberis vulgaris*) dental gel has been shown to effectively control gingivitis and microbial plaque formation in children.

Herbal medicines are the oldest form of health care known to mankind. Herbal medicines contain traditional natural organic and inorganic ingredients. Herbal drugs are less cost, more safety, less sideeffect and eco friendly

PROGRAM REPORT OF FDP ON EMERGING TRENDS IN HERBAL DRUG

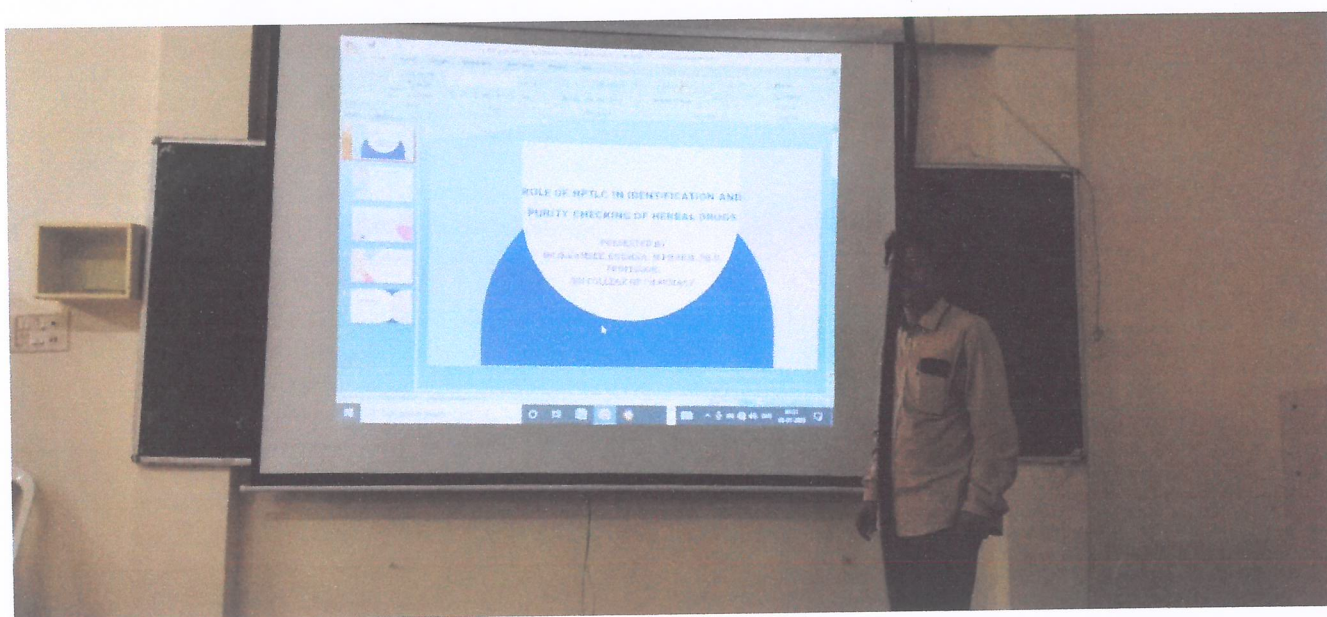

RESEARCH

- A Five days Faculty Development Programme was organized by IQAC, GIET School of Pharmacy, Andhra Pradesh, on “**Emerging Trends in Herbal Drug Research**” from **09.07.2018 to 13.07.2018**. The Programme was started with light lamping ceremony by chief guest followed by the introduction of speaker by **Dr. M. D. Dhana Raju, Principal, GIET School of Pharmacy**.
- The guest speaker **Dr. M. Shaheedha** of the Day 1 Programme on 11.09.2017 presented a seminar on “**Advances in Phyto Pharmaceutical Product Development**”. The session of programme made faculty aware of the importance in Herbal medicines that rely on one or more Plant component or active elements for their effectiveness.
- The guest speaker of the Day 2 Programme was **Dr. P. R. Kumar** and he presented the topic on Management of “**Challenges & Opportunities in Research on Herbal Medicinal Product**”. The session of programme helped the faculties understand importance for herbal drugs has grown at an impressive rate due to a global resurgence in traditional and alternative healthcare systems, and therefore medicinal plants have great economic importance.
- The guest speaker of the Day 3 Programme was **Dr. C. Hema Latha** and she delivered the presentation on “**Potential Role of Nutraceuticals**”. The session of programme helped faculties understand how Nutraceuticals have evolved from the recognition of the link between food and health. She also discussed the Rapid advances in science and technology, increasing health care costs, an aging population and rising interest in attaining wellness through diet are among the factors fueling interest in nutraceuticals.

Dr. M.D. DHANA RAJU,
Principal. M.Pharm., Ph.D.
GIET SCHOOL OF PHARMACY,
NH-16, Chaitanya Knowledge City
RAJAHMUNDRY-533 296: (AP)

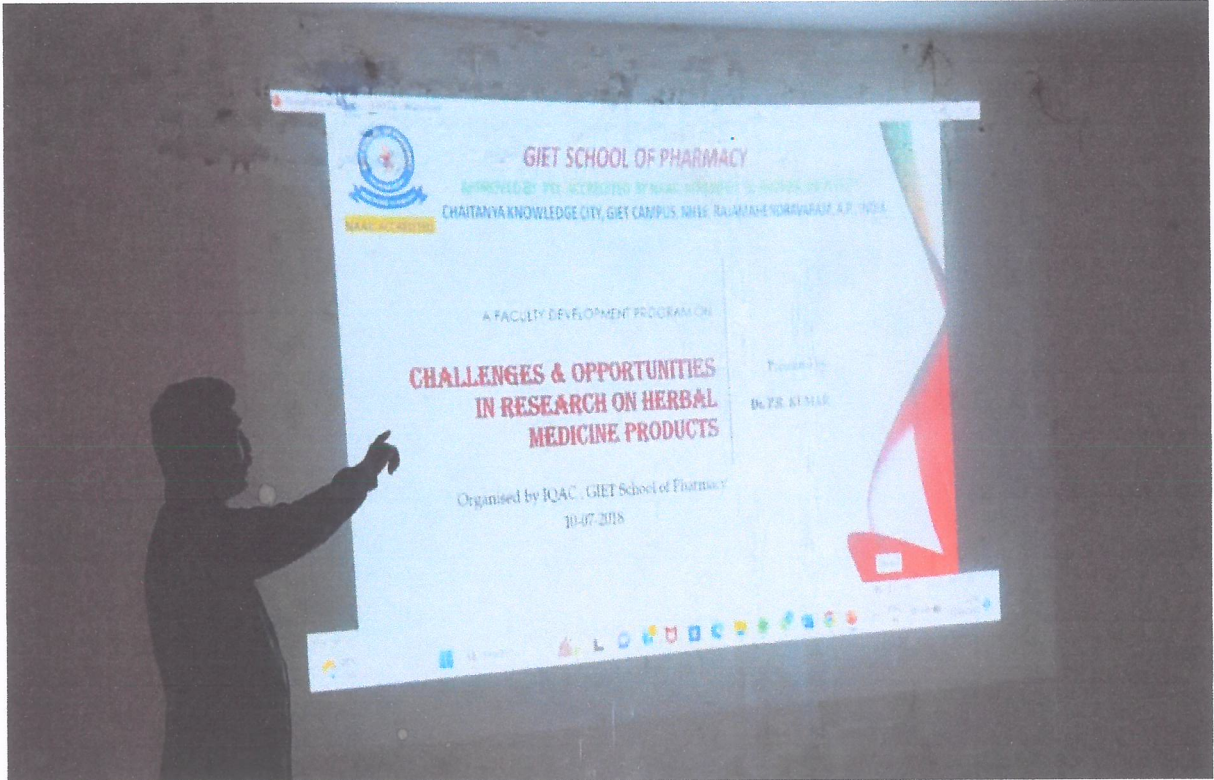

- The guest speaker of the Day 4 programme was **Dr. G. Vamsee Krishna**, and he delivered his lecture on **“Role of HPTLC in Identification & Purity Checking of Herbal Drug”**. The lecture stressed the importance of HPTLC as an important tool for the qualitative, semiquantitative, and quantitative phytochemical analysis of the herbal drugs and formulations. This includes developing TLC fingerprinting profiles and estimation of biomarkers.
- The guest speaker of the Day 5 programme was **Dr. P. Neeraja**, and she delivered the session on **“Drug Discovery & Herbal Medicine”**. The session of programme helps faculties to understand how natural products are also present challenges for drug discovery, such as technical barriers to screening, isolation, characterization and optimization. She also explained about current several technological and scientific developments - including improved analytical tools, genome mining and engineering strategies, and microbial culturing advances - are addressing such challenges and opening up new opportunities.

Faculty Enrichment to meet Current Trend in Pharmacy

From 10th - 14th December 2018

Venue : Conference hall
GIET SCHOOL OF PHARMACY

Registration Fee
300/-

About GIET:
Established in 2004, GIET School of Pharmacy is one of the premier institutes situated in Andhra Pradesh. The institute is famous for offering bachelors, masters and doctorate programmes in the field of Pharmaceutical Science stream. The courses are

- B.Pharm,
- M.Pharm,
- Pharm.D,
- Pharm.D (PB)

Admissions are offered on the basis of state level and national level entrances such as AP EAMCET and GPAT. GIET School of Pharmacy is well known for their academe as well as extracurricular and cultural activities. Internships are also encouraged which helps students in the campus placement drives.

The pharmaceutical is always challenging and has no exception. Certain hardy perennials such as drug pricing emerged in 2018 after new iterations. A gene therapy afforded by digital health technologies are the evidence. That sciences continues to push the envelope and ask the crucial question about how pharmaceutical might discovered develop deliver and funded in the future. They bring new shades to the ongoing debate about what the pharmaceutical industry, in an age where ageing and health are more central than ever to the economic, social, political and ethical evolution of our societies.

Last date for Registration
7th December 2018

PROGRAMME REPORT

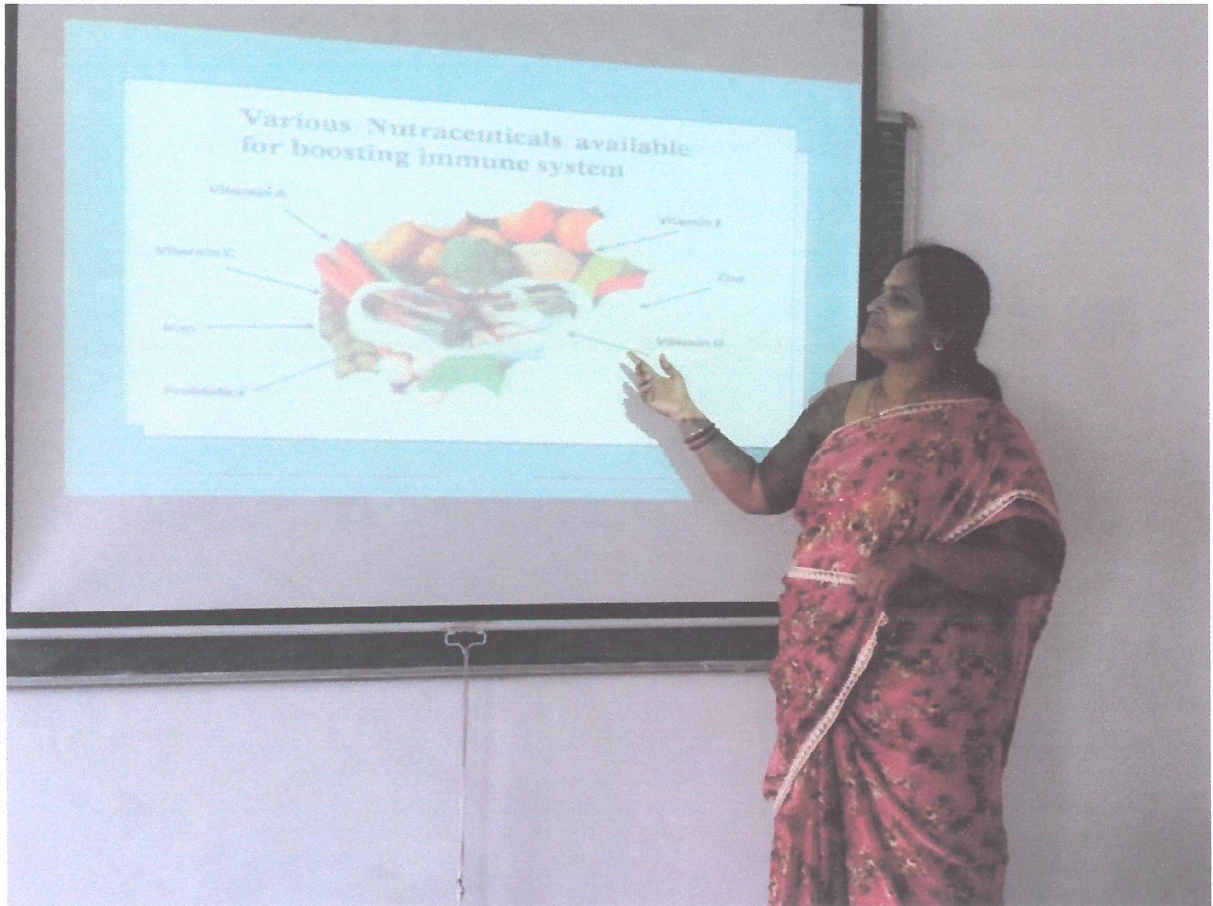

- ✚ A Five days Faculty Development Programme was organized by IQAC, GIET School of Pharmacy, Andhra Pradesh, on “**Enrichment to meet the Current Trends in Pharmacy**” from 10.12.2018 to 14.12.2018. The programme was started with light lamping ceremony by chief guest followed by the introduction of speaker by **Dr.M.D. Dhanaraju, Principal, GIET School of Pharmacy.**
- ✚ The guest speaker **Dr. R. Vasuki** of the Day 1 program on 10.12.2018 presented a seminar on “**Skill Development**”. The session of programme made faculty aware of the importance to address poverty reduction by improving employability, productivity and helping sustainable enterprise development and inclusive growth.
- ✚ The speaker of the Day 2 programme was **Dr. C. Hema Latha** and she presented the topic on Management of “**Role of ICT in Modern Era in Pharmacy Education**”. The session of programme helped the faculties understand importance in identification of medicines can be used to reduce medicine administration errors and to improve the medication history of patients.
- ✚ The speaker of the Day 3 program was **Dr. M. Vijey Anandhi** and she delivered the presentation on “**Soft Skills at Work Place**”.The FDP programme for faculties important soft skills which employers value are: emotional intelligence, communication, problem-solving, collaboration, critical thinking. So she stressed all the points.
- ✚ The speaker of the Day 4 program was **Mrs. Sirisha Sangamitra**, and she delivered her lecture on “**Stress Handling & Its Managment**”.The lectures report is about stress management and its description regarding methods of stress management
- ✚ The speaker of the Day 5 program was **Dr. I. V. Rama Rao**, and he delivered the session on “**Trends in Bio Pharmaceutics**”. The session of program helps faculties to understandreport shows that the industry continues to expand at its usual rate. And discussed about annual survey of bioprocessing professionals included responses from all decision-makers in different countries along with industry supplier/vendor respondents.

Report on FDP on Current Trends in Analytical Techniques

Five days faculty development programme was organized by IQAC, GIET School of Pharmacy, from 7th to 11th January, 2019 on “Emerging trends in biotechnology”. The program was a five-day Faculty Development Programme where various related subtopics were discussed in detail by eminent educationists and a very beneficial academic environment was experienced by the participants.

The FDP programme was inaugurated on 7th Jan 2019, with the lamp lightening ceremony by Principal and senior faculty members. The dignitaries were welcomed by Principal of GIET School of Pharmacy, Dr. M. D. Dhanaraju & presented bouquet.

Day 1

January 7th 2019

Guest Faculty: Dr. K. Manikandan

Topic: Advancements in Analytical Techniques

Principal, Dr. M. D. Dhanaraju welcomed the chief guest and all the participants of the FDP. The guest faculty was Dr. K. Manikandan. He explained to the faculties regarding the many analytical techniques available to the industry, mass spectrometry is one of the most versatile. It allows companies to identify proteins on the basis of their amino acid sequences and gives them information about those proteins higher-order structures.

A handwritten signature in blue ink, appearing to be "Dr. M.D. Dhana Raju".

DR. M.D. DHANA RAJU,
Principal,
M.Pharm., Ph.D.,
GIET SCHOOL OF PHARMACY,
NH-16, Chaitanya Knowledge City,
RAJAHMUNDRY-533 296: (A.P.)

Day 2

January 8th 2019

Guest Faculty: Dr. G. Vamsee Krishna

Topic: QbD & its Approach

The Speaker of Day 2 programme was Dr. G. Vamsee Krishna, NRI College of Pharmacy. The faculty explained the benefits of applying QbD principles to analytical methods include identifying and minimizing sources of variability that may lead to poor method robustness and ensuring that the method meets its intended performance requirements throughout the product and method lifecycle.

Day 3

January 9th 2019

Guest Speaker: Dr. N. Delhi Raj

Topic: Impurity Profiling

The Speaker of Day 3 programme was Dr. N. Delhi Raj from Satyabhama University. The speaker gave a brief note on importance in the modern pharmaceutical analysis due to the fact that unidentified, potentially toxic impurities are hazardous to health and in order to increase the safety of drug therapy. He also explained how impurities should be identified and determined by the selective method.

Dr. M.D. DHANA RAJU,
Principal. M.Pharm., Ph.D
GIET SCHOOL OF PHARMACY,
NH.16, Chaitanya Knowledge City,
RAJAHMUNDRY-533 296: (A.P.)

Day 4

January 10th 2019

Guest Speaker: Dr. P. Neeraja

Topic: Pharm. Quality Management

Day 4 Speaker was Dr. P. Neeraja from Geetanjali Inst. Of Science & Technology. The Speaker explained how they have formalized system that documents processes, procedures, and responsibilities for achieving quality policies and objectives.

Day 5

January 11th 2019

Guest Faculty: Dr. Shiva Kumar

Topic: Elemental Analysis

The Speaker of Day 5 Programme was Dr. Shiva Kumar., Geetanjali Inst. Of Science & Technology. The faculty high lightened the how Elemental analysis and testing include identification and quantification of elements in a sample, determination of the elemental composition, and trace level elements.

We believe that the knowledge & thoughts you've shared will help & develop the every One. We wish to have you more often with interesting talks & topics.

FDP Program was concluded by Vote of Thanks by Dr. S. Ramachandran, Vice-Principal, GIET School of Pharmacy.

ANALYTICAL TECHNIQUES IN BIOPHARMACEUTICALS

PROCEDURE -

The sample mixture is applied to a piece of filter paper the edge of the paper is immersed in a solvent.

The aqueous component of the solvent system binds to the paper & forms a stationary phase.

The organic component that migrates on the paper is the mobile phase.

When the migration of the solvent is upwards, it is referred to as ascending chromatography.

In descending chromatography, the solvent moves downwards.

As the solvent flows, it takes along with it the unknown substances.

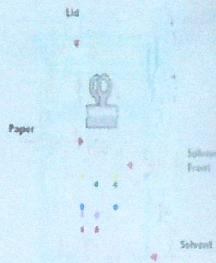

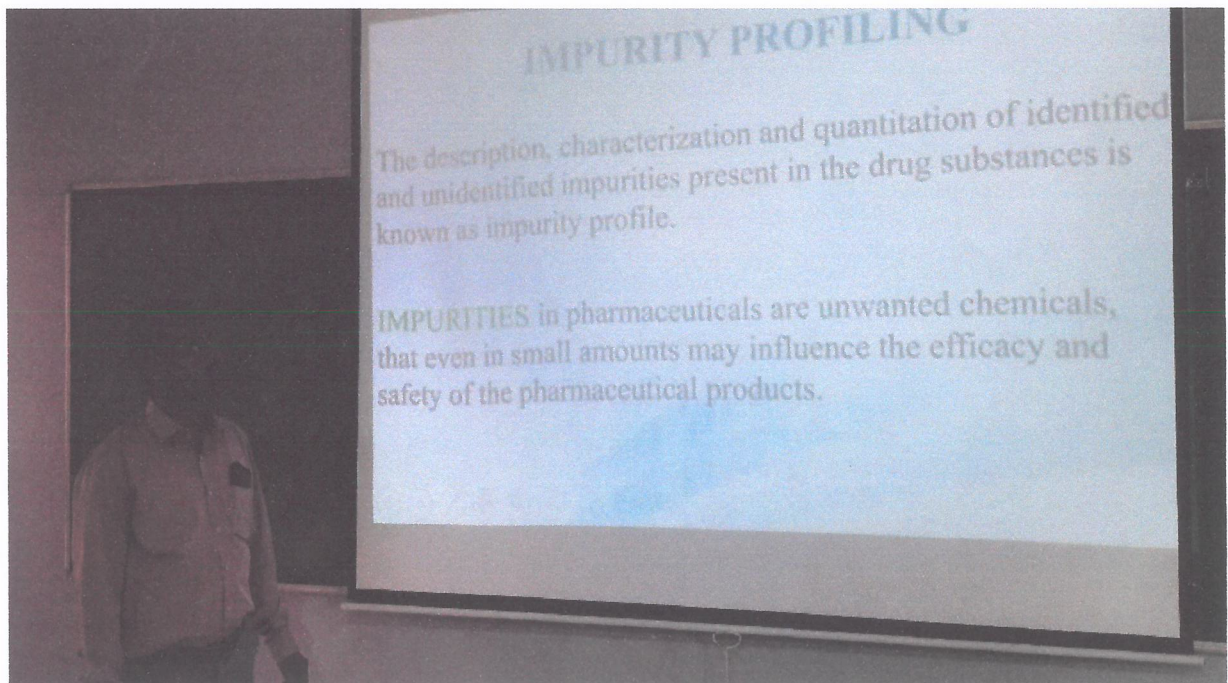

Fig. 1. paper chromatography

About the College :

GIET School of Pharmacy was established in 2004 by Founder and Chairman Dr. K.V.V. Satyanarayana Raju, under Sri Koundinya Educational Society who is the pioneer in educational institutions of East Godavari District, Andhra Pradesh. The institute is affiliated to Andhra University, approved by AICTE and recognized by PCI, New Delhi. GIET School of Pharmacy is one of few institutions in Andhra Pradesh approved by the National Assessment and Accreditation Council (NAAC), Bangalore, which illustrates its quality in academe. Considering the global focus on clinical orientation of the pharmacy profession, GIET School of Pharmacy has started the Doctor of Pharmacy (Pharm.D) course in 2008 with the approval from PCI.

Course offered

B Pharm: Bachelor of Pharmacy (B.Pharm) is an undergraduate degree course in the field of Pharmacy education. The students those are interested in the medical field (except to become a doctor) can choose this course after the completion of class 12th and can work in a range of industries related to the prescription, manufacture & provision of medicines. The duration of this course is 4 years.

Pharm D: Doctor of Pharmacy (Pharm D) is a professional degree in pharmacy. The Pharm D course lasts six years in total, with five years of classroom instruction and one year of practical training. The only doctoral degree that can be pursued immediately after finishing the 10+2 exams. Furthermore, B Pharm graduates can pursue a Pharm D course by applying for a lateral entry program, i.e., Pharm D course (Post Baccalaureate).

M Pharm: A Master of Pharmacy degree holder is one pharmacy course that is structured in a way to provide entire technical, researched, practical and theoretical knowledge of pharmacy including traditional and modern medicines. The degree is of great value because a person holding this degree is as knowledgeable as a medical practitioner with years of experience, in fact, way ahead of doctors by acquiring knowledge with experience of complete health care industry.

IMPORTANT GUIDELINES

Faculty members of PCI approved institutions, research scholars and staff of host institutions are eligible to apply for the FDP.

RESOURCE PERSON

DAY 1:

Dr.P. Shanmuga pandian, Sathyabama University

DAY 2:

Dr.N.Anbalagan ,Dr.kalam College

DAY 3:

Dr.P. Neeraja, Geethanjali College of Pharmacy

DAY 4:

Dr.M.K .Karthiravan, SRM College

DAY 5:

Dr. M. Vijey Anandhi, VELS University

ABOUT THE FDP:

GUIDELINES ON WRITING RESEARCH PROPOSAL

The workshop is designed to equip-novice researchers with nuances of writing a good research proposal and to provide hands-on training to develop a well-written research proposal.

The overarching goal of the program is to empower the participants to develop a proposal independently. At the end of this program the participants can attain the following specific skills:

- To identify and refine feasible and worthwhile topic of research
- To do a literature search and identify relevant source materials
- To formulate the research problem in a specific context
- To formulate research objectives and research questions
- To formulate hypothesis and develop a conceptual design for the study
- To write research methodology

PROGRAM REPORT OF FDP ON GUIDELINES ON WRITING RESEARCH

PROPOSAL

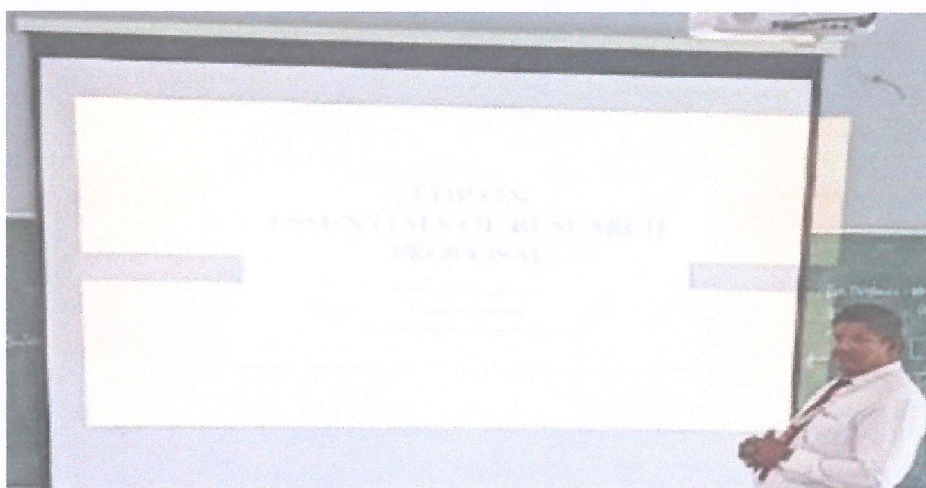

The FDP was started on 18th March 2019, Organised by IQAC, GIET School of Pharmacy, with the lamp lightening ceremony followed by Quaranic Verses and Saraswathi Vandana. The dignitaries were welcomed by the Principal Dr. M.D. Dhanaraju and presented flowers.

- The first technical session was by **Dr. P. Shanmuga Pandian** on the topic “**Essentials of Research Proposal**” and the guest speaker addressed about Program on Research proposal, how to include elements in research proposal exactly in the order. He also concluded which they communicate our thought process, present the originality of your ideas, and demonstrate that you’re passionate about the subject in question.
- The second day technical session was by **Dr. N. Ana balagan** on the topic “**Research Proposal Writing for Researchers in Pharm. Sciences**” and the guest speaker addressed the sessions & delivered on the basic principles of scientific research, design of experiments, data collection, and statistical tools for analyzing data, oral/written communication of research and dissemination the research outcome. At the end of the session speaker learned about the doubts of the participants and discusses about the session.
- The third day technical session was by **Dr. P. Neeraja** on the topic of “**Steps & Guidelines for Writing Research Proposal**” the guest speaker discussed about how to include the project's purpose, goals, specific objectives, method, and anticipated impact. At the end of the session speaker learned the doubts of the participants and discussed about the session.
- The fourth day technical session was by **Dr. M. K. Kathiravan** on the topic “**Grant Opportunities for Academic Institutions**” and the guest speaker discussed about an

- amount of money that a government or other institution gives to an individual or to an organization for a particular purpose such as education or home improvements.
- The fifth day technical session was by **Dr. M. Vijey Anandhi** on the topic “**Step-by-Step Guide to Write a Good Research**” the guest speaker discussed how to intend & to convince others that you have a worthwhile research project and that you have the competence and the work-plan to complete it.
- The FDP Session was concluded on fifth day by valedictory function and certificate were issued to the participants.

Rationale, Review, Outline

- What is it that you plan to achieve?
 - Be clear and concise
 - Build a rationale
- Why do you want to do it?
 - Contextualize with a literature review
 - Be prepared to answer the "So, what?" question
- How do you want to go about it?
 - Be feasible/realistic
 - Develop an outline

Sections of a Research Proposal

- Title
- Abstract
- Introduction/background/Statement of the Problem
- Literature Review
- Research Objectives/Objectives
- Research Design and Methods
- Preliminary Studies/Methods and Implications
- Plan of Work with Time Schedule and Budget
- Conclusion
- References/Bibliography (which comes last)

Dept. of. Pharmacy Practice., Professor & Head
Mobile No: 9581452352

Number of participants:21

Report:

A Orientation program on **Physical activity & Mental Health** was organized by IQAC, GIET School of Pharmacy. In this session **Dr. S. Ramam** addressed the non-teaching staff about the stress management. He explained how to manage their temporary thoughts, feelings, and behaviors. He also discussed how to communicate, maintain difference between professional & personal life. He concluded the program by how to maintain healthy atmosphere in workplace, communication & sharing of work.

ABOUT GIET:

GIET School of Pharmacy was established in 2004 by Founder and Chairman Dr. K.V.V. Satyanarayana Raju, under Sri Koundinya Educational Society who is the pioneer in educational institutions of East Godavari District, Andhra Pradesh. The institute is affiliated to Andhra University, approved by AICTE and recognized by PCI, New Delhi.

GIET School of Pharmacy is one of few institutions in Andhra Pradesh approved by the National Assessment and Accreditation Council (NAAC), Bangalore, which illustrates its quality in academic. Considering the global focus on clinical orientation of the pharmacy profession, GIET School of Pharmacy was introduced the Doctor of Pharmacy (Pharm.D) course in 2008 with the approval from PCI.

Course offered

B Pharm: Bachelor of Pharmacy (B.Pharm) is an undergraduate degree course in the field of Pharmacy education. The students those are interested in the medical field (except to become a doctor) can choose this course after the completion of class 12th, can work in a range of industries related to the prescription, manufacture & provision of medicines. The duration of this course is 4 years.

Pharm D: Doctor of Pharmacy (Pharm D) is a professional degree in pharmacy. The Pharm D course lasts six years in total, with five years of classroom instruction and one year of practical training. The only doctoral degree that can be pursued immediately after finishing the 10+2 exams. Furthermore, B Pharm graduates can pursue a Pharm D course by applying for a lateral entry program, i.e., Pharm D course (Post Baccalaureate).

M Pharm: A Master of Pharmacy degree holder is one pharmacy course that is structured in a way to provide entire technical, researched, practical and theoretical knowledge of pharmacy including traditional and modern medicines. The degree is of great value because a person holding this degree is as knowledgeable as a medical practitioner with years of experience, in fact, way ahead of doctors by acquiring knowledge with experience of complete health care industry.

ABOUT THE PROGRAMME:

Rational drug design is the inventive process of finding new medications based on the knowledge of a biological target. Rational drug design (Wikipedia) "Rational drug design" is often equated with "computer-aided drug design", but it is certainly possible to design a drug without the aid of computers. The general process of rational drug design is as follows: scientists must first identify a target for a certain therapeutic need. Next, the structure of the target protein must be defined. Lastly, the drug's structure must be designed so that it specifically interacts with the target protein. Rational medicine use strategies enhance the effective, safe, and cost-effective use of medicines, preserve the effectiveness of antimicrobials, and contribute to good health outcomes.

Date: 06-08-2018

One-day seminar on “Drug Research using Rational drug design” at GIET School of
Pharmacy

One-day seminar on “Drug Resarch using Rational drug design” has organized by IQAC Ccell, GIET School of Pharmacy, Rajahmundry Andhra Pradesh on 06-08-2018 for teaching staff, PG and UG students.

Ms. Pydi Geetha Bhavani, Associate Professor, Vikas Institute of Pharmaceutical sciences, Rajahmundry, acted as a chief guest & speaker and Dr M.D Dhanaraju, Principal GIET School of Pharmacy was presiding over the inaugural function. The welcome address was delivered by Dr V.D Sundar.

The inaugural function followed by seminar on “Drug Resarch using Rational drug design” by Ms. Pydi Geetha Bhavani. She focuses on drug design, it often referred to as rational drug design or simply rational design, is the inventive process of finding new medications based on the knowledge of a biological target. The drug is most commonly an organic small molecule that activates or inhibits the function of a biomolecule such as a protein, which in turn results in a therapeutic benefit to the patient. In the most basic sense, drug design involves the design of molecules that are complementary in shape and charge to the biomolecular target with which they interact and therefore will bind to it. Drug design frequently but not necessarily relies on computer modeling techniques

B Pharm: Bachelor of Pharmacy is an undergraduate degree course in the field of Pharmacy education. The students those are interested in the medical field can choose this course after the completion of class 12th. can work in a range of industries related to the prescription, manufacture & provision of medicines. The duration of this course is 4 years.

Pharm D: Doctor of Pharmacy (Pharm D) is a professional degree in pharmacy. The Pharm D course lasts six years in total, with five years of classroom instruction and one year of practical training. The only doctoral degree that can be pursued immediately after finishing the 10+2 exams. Furthermore, B Pharm graduates can pursue a Pharm D course by applying for a lateral entry program, i.e., Pharm D course (Post Baccalaureate).

M Pharm: A Master of Pharmacy degree holder is one pharmacy course that is structured in a way to provide entire technical, researched, practical and theoretical knowledge of pharmacy including traditional and modern medicines. The degree is of great value because a person holding this degree is as knowledgeable as a medical practitioner with years of experience, in fact, way ahead of doctors by acquiring knowledge with experience of complete health care industry.

ABOUT THE PROGRAMME :

Entrepreneurship education that provides an introduction to the values and basics of starting and running a business. Entrepreneurship education programs often guide youth through the development of a business plan and also may include simulations of business start-up and operation. Entrepreneurial education and training provides individuals with the ability to recognize commercial opportunities, self-esteem, knowledge and skills to act on them. It includes instruction in opportunity recognition, commercializing a concept, managing resources, and initiating a business venture. These types are usually used in all steps in a training process (orientation, in-house, mentorship, and external training). The training utilized depends on the amount of resources available for training, the type of company, and the priority the company places on training.
