INTELLECTUAL PROPERTY RIGHTS CELL

Minutes of Meeting

The meeting of Intellectual property rights (IPR) cell held at 3 pm on 22-01-2018 at principal chamber.

The following points are discussed in the meeting.

1. The Principal explained vision, mission, objectives and functions of IPR cell.
2. The Principal requested all members to work effectively to strengthen the cell.

IPR has been established on 22/01/18 in line with the guidelines of AICTE with a view to create awareness about intellectual property rights to both faculty and students.

Vision: To know the importance of intellectual property rights, which plays a vital role in advanced technical and scientific discipline.

Mission: To impart IPR protection and regulations for further advancement so that students can familiarized with latest developments.

Objectives: To create awareness on the importance of intellectual property rights.

To face the emerging challenges effectively and proactively.

Functions: To organize intellectual property rights programs.

To organize business plan competitions.

To provide technological and logical assistance and awareness on monetary fund source to prospective entrepreneurs.
