## 2. Use of Bicycles/ Battery powered vehicles

Students staying in boys' and girls' hostels can use bicycles to go to the college from the hostel or to the various places in the campus. Staff also utilizes this facility to reduce emissions. College also provides 5 battery cars to use within the campus, thereby reducing the pollution arising due to fuel-driven vehicles within the campus. The noise levels in the campus are kept in control by utilizing noiseless battery cars and restricted movement of vehicles within the campus.

## 4. Ban on the use of Plastic

The staff and students are instructed to avoid using plastic on campus premises.

Placards are displayed on the entire campus, indicating plastic-free zones. To restrict the use of plastic, measures have been taken to replace plastic tea cups and glasses with steel glasses in the hostel canteen. The staff and students are informed to use steel or copper water bottles instead of plastic bottles.

Landscaping of trees and plants in the campus improves the beauty of the college. The institute has a canopy of trees and plants to make environmental pollution free to safeguard the health of people. All the trees provide shade, and utmost care is taken to develop and maintain green landscaping by trained gardeners and supervisors.
