IQAC Organized Five Day Faculty Development Program

on Evolution from Offline to Online Teaching

Date: 23rd - 27th November 2020

Venue : Conference hall GIET SCHOOL OF PHARMACY

About GIET:

Established in 2004, GIET School of Pharmacy is one of the premier institutes situated in Andhra Pradesh. The institute is famous for offering bachelors, masters and doctorate program in the field of Pharmaceutical Science stream. The courses are

- B.Pharm,
- M.Pharm,
- Pharm.D,
- Pharm.D (PB)

Admissions are offered on the basis of state level and national level entrances such as AP EAMCET and GPAT.

GIET School of Pharmacy is well known for their academe as well as extracurricular and cultural activities. Internships are also encouraged which helps students in the campus placement drives.

For students, online classes have become an imminent trend in the education sector around the globe. Digital learning has provided easy access to the files and folders that can now be organised and saved without any physical damage. With one click, students can access their notes and assignments without the fear of misplacing or spoiling them. With advanced technology, this mode of learning has not only been simpler but fun and engaging as well. Technology-enabled learning is beneficial and has proven to be more engaging as it helps in making those subjects interactive and fun which are traditionally considered dull by students. It became very convenient for the students to attend classes from anywhere in the world as both classes and learning content was easily accessible at home. Integration of the learning platforms with new-age interactive applications has made online classes more convenient for both students and teachers as more students are able to express their views at the same time using certain online applications.

PROGRAMME REPORT

- ✓ A Five days Faculty Development Programme was organized by IQAC, GIET School of Pharmacy, Andhra Pradesh, on “**Evolution from offline to online teaching**” from **23.11.2020 to 27.11.2020**. The programme was started with light lamping ceremony by chief guest followed by the introduction of speaker by **Dr.M.D. Dhanaraju, Principal, GIET School of Pharmacy.**
- ✓ The speaker **Dr. V. Narendra** of the Day 1 programme on 23.11.2020 presented a seminar on “**ICT as an Efficient Tool for Effective Teaching**”. The session of programme made faculty aware of importance of the tool handling of both software and hardware to show effective teaching for the students.
- ✓ The speaker of the Day 2 programme was **Dr. R. Shiva Kumar** and he presented the topic on Management of “**Assessment & Evaluation of Online Class**”. The session of programme helped the faculties know the importance regarding experimental teaching & picture format which help the student to understand easily,
- ✓ The speaker of the Day 3 programme was **Dr. M. Shaheedha** and She delivered the presentation on “**Pharmacy Education During COVID-19**”. The session of programme helped faculties understand importance of the information communication technology as well as enhancement for the person regarding advances of scientific & Medical areas.
- ✓ The speaker of the Day 4 programme was **Dr. P. Aravanan**, and he delivered his lecture on “**Novel Insights in Pharmaceutical Sciences During Pandemic**”. The lecture was stressed the importance of a distancing and transmission issues have caused during COVID.
- ✓ The speaker of the Day 5 programme was **Dr. B. Pavan**, and he delivered the session on “**Effective Teaching Learning Methods**”. The session of programme helps faculties to understand importance evidence-based teaching and decision about strategy.

India, due to both its history of herbal remedies and incredible biodiversity, offers a thriving market for phytopharmaceuticals. The global market for herbal medicines is projected to reach \$ 1.1 Bn by 2023, in which, India is well-positioned to emerge as a strong market player.

The Indian herbal remedy market is currently valued at \$n. 5,000 crore and showcases an annual growth of about 14%, driven by both rising domestic and export demand, particularly since the onset of COVID-19, which has fueled a steady increase in demand for traditional medicines in developed countries as well.

About the College :

GIET School of Pharmacy was established in 2004 by Founder and Chairman Dr. K.V.V. Satyanarayana Raju, under Sri Koundinya Educational Society who is the pioneer in educational institutions of East Godavari District, Andhra Pradesh. The institute is affiliated to Andhra University, approved by AICTE and recognized by PCI, New Delhi. GIET School of Pharmacy is one of few institutions in Andhra Pradesh approved by the National Assessment and Accreditation Council (NAAC), Bangalore, which illustrates its quality in academe. Considering the global focus on clinical orientation of the pharmacy profession, GIET School of Pharmacy has started the Doctor of Pharmacy (Pharm.D) course in 2008 with the approval from PCI.

Course offered

B Pharm: Bachelor of Pharmacy (B.Pharm) is an undergraduate degree course in the field of Pharmacy education. The students those are interested in the medical field (except to become a doctor) can choose this course after the completion of class 12th, can work in a range of industries related to the prescription, manufacture & provision of medicines. The duration of this course is 4 years.

Pharm D: Doctor of Pharmacy (Pharm D) is a professional degree in pharmacy. The Pharm D course lasts six years in total, with five years of classroom instruction and one year of practical training. The only doctoral degree that can be pursued immediately after finishing the 10+2 exams. Furthermore, B Pharm graduates can pursue a Pharm D course by applying for a lateral entry program, i.e., Pharm D course (Post Baccalaureate).

M Pharm: A Master of Pharmacy degree holder is one pharmacy course that is structured in a way to provide entire technical, researched, practical and theoretical knowledge of pharmacy including traditional and modern medicines. The degree is of great value because a person holding this degree is as knowledgeable as a medical practitioner with years of experience, in fact, way ahead of doctors by acquiring knowledge with experience of complete health care industry.

IMPORTANT GUIDELINES

Faculty members of PCI approved institutions, research scholars and staff of host institutions are eligible to apply for the FDP.

RESOURCE PERSON:

DAY 1:

**Dr.G .Usha kiran, Vikas
Institute of Pharmaceutical Sciences**

DAY 2:

**Mr. john kirubakaran, Vikas
Institute of Pharmaceutical Sciences**

DAY 3:

Dr.P.Himasree, GSP

DAY 4:

**Dr.B.Pavan, Gokula Krishna College of
Pharmacy**

DAY 5

Dr. S.Ramam, Lydia college of Pharmacy

ABOUT FDP ON ROLE OF PHARMACIST IN HEALTH CARE SYSTEM

The focus of profession of pharmacy has shifted from technical, product oriented, functions to patient oriented, health outcomes counseling information and professional services. This shift, generally referred to as "Pharmaceutical Care". The principal task of the modern pharmacist is to identify, resolve and prevent drug-related problems.

- ✓ Education concerning prevailing health problems and methods of identifying, preventing and controlling them.
- ✓ Prevention and controlled of locally Epidemic nutrition.
- ✓ Provision of essential diseases.
- ✓ Immunization against the major infection diseases.
- ✓ Availability of health professional.
- ✓ National health policies.

PROGRAMME REPORT

A Five days Faculty Development Programme was organized by IQAC, GIET School of Pharmacy, Andhra Pradesh, on “**Role of Pharmacist in Healthcare System**” from **06.04.2021 to 10.04.2021**. The programme was started with light lamping ceremony by chief guest followed by the introduction of speaker by **Dr.M.D. Dhanaraju, Principal, GIET School of Pharmacy**.

The guest speaker **Dr. G. Usha Kiran** of the Day 1 programme on **06.04.2021** presented a seminar on “**Role of Community Pharmacist in India**”. The session of programme made faculty aware of the importance & role of community pharmacist in India.

The speaker of the Day 2 programme was **Mr.J. John Kirubakaran** and he presented the topic on Management of “**Anti- Microbial Agents Utilization**”. The session of programme helped the faculties understand importance of utilizing anti-microbial agents.

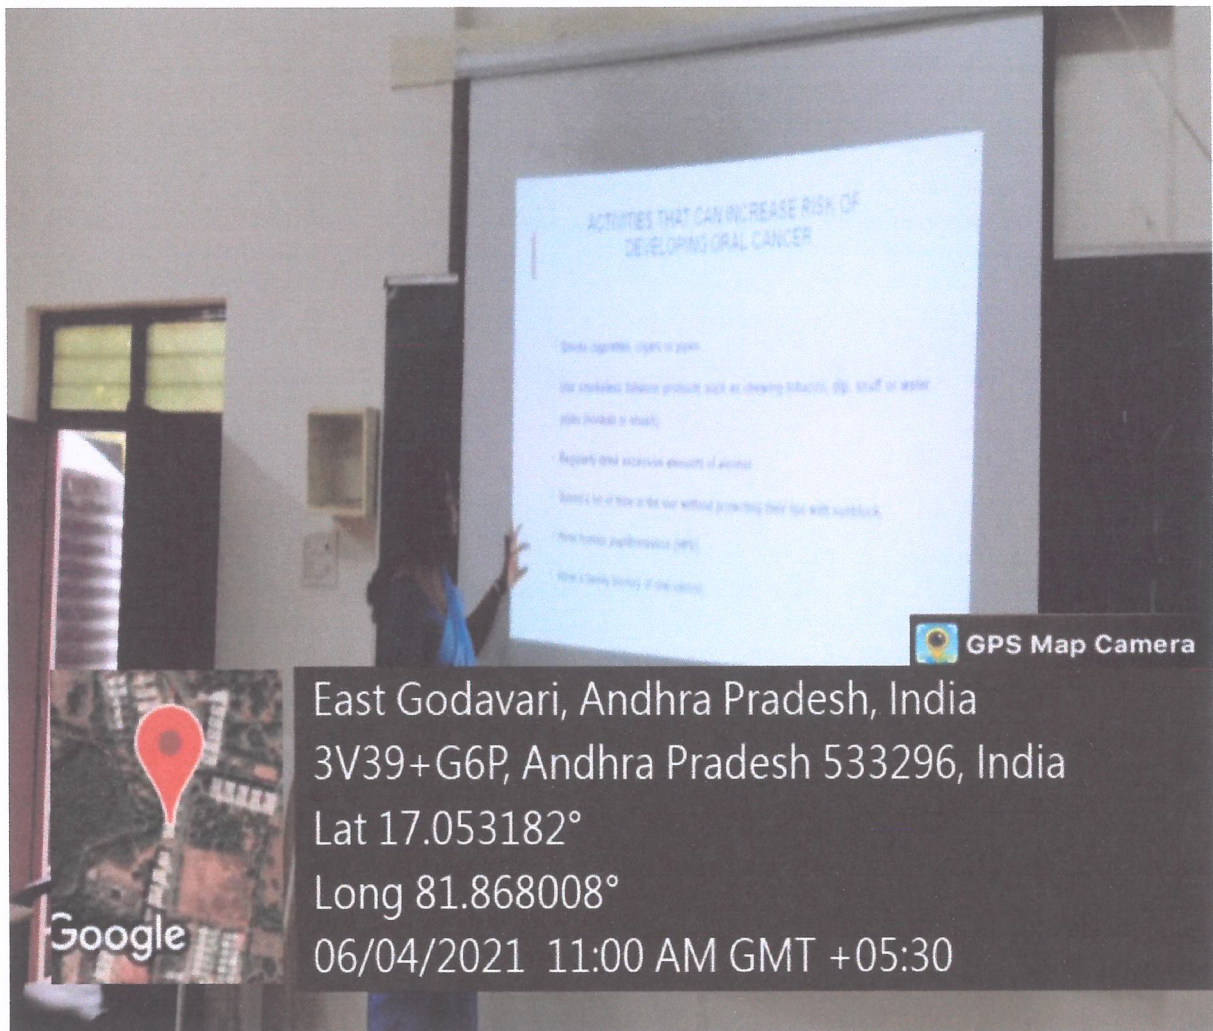

The speaker of the Day 3 programme was **Dr. P. Himasree** and she delivered the presentation on “**Handling of OTC & PTC Drugs**”. The session of programme helped faculties understand how the drugs are being enlisted into the OTC and PTC categories and the role of regulatory authorities in scrutinizing the drugs.

The guest speaker of the Day 4 programme was **Dr. B. Pavan**, and he delivered his lecture on “**Pharmacist Perception Towards Patients Safety Culture**”. The lecture was stressed the importance of pharmacist in playing a key role in the patient safety.in the clinical practice.

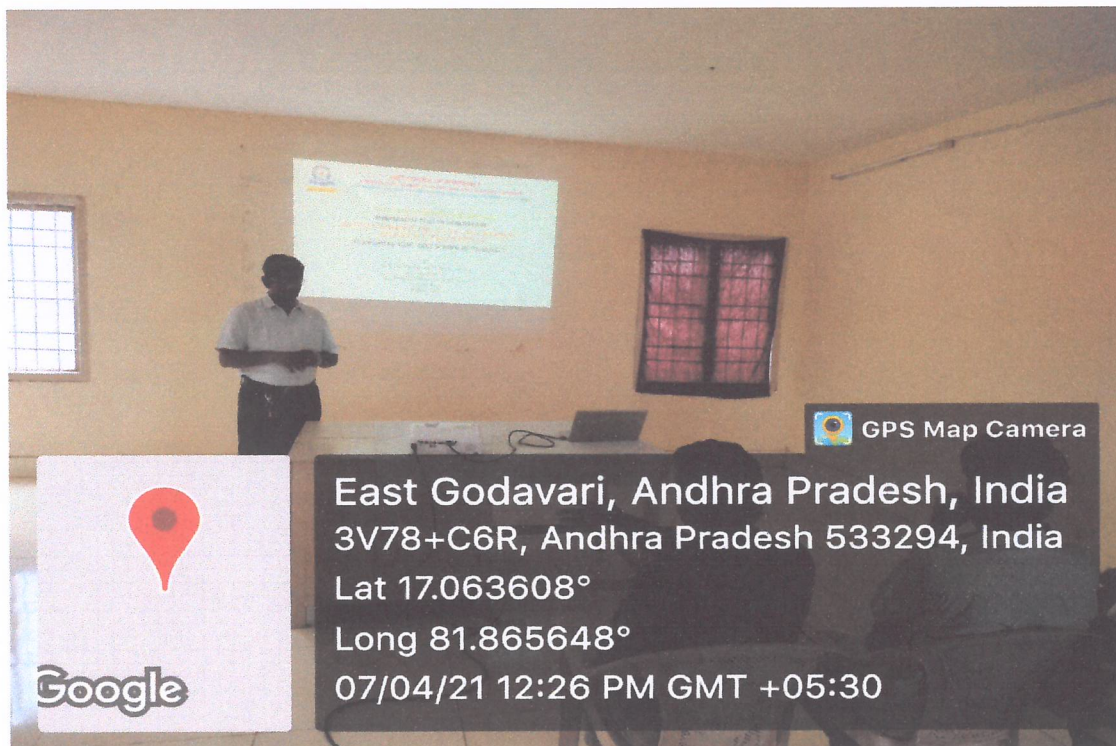

The guest speaker of the Day 5 programme was **Dr. S. Ramam**, and he delivered the session on “**Preparing Pharmacist for 21st Century in India**”. The lecture highlighted how to upgrade the pharmacist in meeting the future needs of the patient towards the health care.
