ALUMNI FEEDBACK ON CURRICULUM

The organization is affiliated to AU, Visakhapatnam and the college academic curriculum is designed by the studies in the university. The curriculum designs were designed by taking suggestions and remarks from the affiliated colleges through conducting meetings with the principals before preparing the blueprint of curriculum. The institution has extracted feedback on the curriculum design from various stakeholders. The feedback is analysed at college academic meetings and the opinion of the faculty members was taken into consideration in the institution.

Depending upon the view of the curriculum the following points were determined:

- Vocational programs were conducted in order to assure the employment for job aspirants
- Main focus was kept on enriched communication skills of students
- The students were encouraged to participate in the entrepreneurial skill development programs
- Interviews were conducted where there will be a chance for the better delivery of lecture to the students
- Main focus was kept on enriched communication skills of students

The necessary corrections in the curriculum were explained to the university by the principal through the meetings and it does suit the student psychology and enables the student to have lateral thinking.

Action Taken Report

Academic Year: 2021-22

Name of the Stakeholder: Student

A staff council meeting has been convened by IQAC with all the in-charges / heads of the departments under the chairmanship of the principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes in college facilities.

Student's feedback above 90% is considered as positive feedback and below that as negative feedback and we are working for the improvement.

S. No	Question	Feedback/ Concern	Percentage Consensus	Action to be Taken
1	Overall environment of the college	Excellent	100	We will continue the same rigor to maintain the same output.
2	Wi-Fi and Internet facility	Good	92	We welcome the feedback. We will make the process more efficient by considering students feedback and action will be taken.
3	Sufficient quantity of books and journals in the college library	Good	94	We welcome the feedback. We will make the process more efficient by considering students feedback and action will be taken.
4	Campus Maintenance	Good	94	In the dynamic environment of GSP, we will be on toes to keep up to the better campus maintenance.
